

A Meeting Room with a view.

Prestigious, centrally located meeting rooms, in Dubai bookable by the hour, for 2 to 12 people.

Whether you are a client of the business centre or not, take advantage of our well-equipped meeting rooms which have inspiring views across the Sheikh Zayed Road to the World Trade Centre.

It's an important meeting, so impressions count.

One Sheikh Zayed is a prestigious commercial address. So from the moment your clients arrive in the lobby to the well-appointed lounge in our centre, they will be impressed by the low-key professional atmosphere and business focus.

Flexibility, internet and AV equipment as standard

Of course you can book by the hour, ½ day or day. And these days meetings rely less upon a whiteboard than they do on a laptop, WIFI net access, video conferencing and a projector. But whatever the presentation equipment that you require, we can make it available for you.

Last minute catering and corporate hospitality?

We are next door to The Monarch Hotel and surrounded by the best restaurants in Dubai, so unwinding over a drink or taking your clients for a meal is an ideal way to cement your business relationships. Or simply ask us to provide gourmet meals in your meeting room.

For meeting venues, what's important to you?

Why meeting at Sentinel can help

"I really don't want to meet in a hotel, I want to use 'our' offices."

For smaller companies, the requirement to have a professional space to host clients is often outweighed by the cost. Not with Sentinel.

"We need somewhere central, accessible, with good parking."

When you have lots of participants and everyone needs to travel, it makes sense to meet close to the airport, in the centre of town.

"Everything is last minute, and I need some secretarial, powerpoint and administrative support."

Let us handle diaries, presentation materials, AV, WIFI and even the catering arrangements—as though it were your own office.

Are you *business agile*?
